

# NEW LOCTITE® 2046™ THREADLOCKER FOR FOOD EQUIPMENT

INTRODUCING... **THE ONLY** threadlocker  
**COMPLIANT WITH FDA  
FOOD ADDITIVE REGULATIONS**  
developed specifically for the following industries:

**FOOD**

**BEVERAGE**

  
MEETS FDA  
FOOD ADDITIVE  
REGULATIONS

# Loctite® 2046™ Threadlocker

- Suitable for use on food equipment
- Removable strength for easy service
- Prevents galling and seizing
- Primerless for stainless steel applications
- Withstands temperatures up to 400°F

## Industry Certification

Loctite® 2046™ Threadlocker may be used as a strengthening or coupling agent for joints on food processing equipment that may contact all types of food in full compliance with the Federal Food, Drug, and Cosmetic Act and all applicable food additive regulations, including 21 C.F.R. § 175.300.

## Industry Solution

In today's high speed fluid-filling lines, loose fluid-filler valve head cover bolts can cause product damage, unscheduled line shutdowns, and even product contamination. Prevent these costly events and ensure your food product's quality with Loctite® 2046™ Threadlocker.

**FLUID-FILL  
VALVE FIX**

## Technical Data

Chemical Type	Two-part anaerobic adhesive
Color	Blue (mixed)
Temperature Resistance	400°F (204°C)
Breakaway/Prevail Torque (in.-lb.)	111/63

Other applications:

- Mixers and blenders
- Deep fryers
- Conveyor systems

## Ordering Information

Item Number	1186840
Package Size	0.40 fl. oz. (12 ml)
Quantity per Case	6 dual-cartridge syringes and 3 mixing tips per syringe
Extra Mix Tips Item	1197606, 10 tips per pack

Each dual-cartridge syringe of Loctite® 2046™ Threadlocker includes 3 mixing tips. Extra mixing tips are available at an additional cost in bags of 10.
